# Rapid mobile testing services

When you want answers about your health, there's no need to wait for referrals from specialists. Phleb Express gets right to the point with easily accessible testing services.

## Routine Bloodwork

From wellness panels to blood testing, we help you stay informed about your health.

## Coronavirus Testing

Whether you need a rapid test for traveling or employment, Phleb Express is here to help.

## Drug Screenings

For individuals needing a basic test, legally-permissible results for use incourt, or DOT drug test.

## Tele Health

Our professional care team services telehealth providers and patients for a variety of needs.

## Lead Testing

Screening for possible excessive exposure to lead, especially in children under the age of 6.

## Procedure Prep

With a variety of prep processes, our team can help you choose the one that's perfect for you.

## HIV Testing

Using an easy blood test, we'll help you determine your results in a timely manner.

## Hepatitis Screening

A quick draw with the support of our staff to help determine if you need medical treatment.

## DNA Testing

Phleb Express makes paternity determinations easy with a simple, non-invasive cheek swab.

## Training

Phleb Express, LLC Phlebotomy Training & Certification program prepares participants to jump start their career through in-class and hands-on blood draws. Our first cohort of 17 will graduate as certified phlebotomist on January 12th, 2023.

# What patients say about at-home lab services

**Brigitte**

Happy Patient

As a mother of 5 children, transportation is often hard. This service saves our family a significant amount of time and money.

Rated 4.3/5

**Eleanor**

Happy Patient

I can't afford the risk of exposure to coronavirus at the doctors office. I am able to safely conduct lab tests at home with the help of professionals.

Rated 4.6/5

**Kyrie**

Happy Patient

Working long hours makes it hard to get an appointment in-office. Our mobile phlebotomist is flexible and always ensure an easy experience.

Rated 4.7/5
