Scholarship Opportunity

The Central New Community Foundation is accepting applications for:

The Frederick K. Kilian Memorial Scholarship
for high school seniors pursuing Manufacturing, Education, Science, or Engineering

Scholarships may be renewable annually for up to 4 years (or 5 years for engineering only), subject to the recipient’s continued full-time matriculation in his/her program of study and maintenance of a 3.2 cumulative GPA or higher.

Selection criteria include academic performance, commitment to the chosen field of study and meaningful volunteer service in the community.

Eligible recipients must be graduating from an Onondaga County high school and have already been accepted into an accredited institution of higher education pursuing a Bachelor’s program in the fields of engineering, manufacturing, science or education.

Application Deadline: April 24

Application Forms are available at www.cnycf.org/kilian or by calling 315-422-9538.
